

applicants respectfully request consideration of the above-captioned application amended as follows:

IN THE SPECIFICATION:

Please amend the specification by replacing the originally filed specification with the Substitute Specification, which is enclosed herewith behind Tab 1.

IN THE CLAIMS:

Please amend claim 5 as follows:

*5. (Amended)* A safety insert according to Claim 4, in which the elements comprise ribs or incisions whose inclinations relative to a longitudinal plane vary with their azimuth.

REMARKS

In response to the Notice to File Corrected Application Papers, applicants hereby amend the originally filed specification and originally filed claim 5. No new matter has been introduced as a result of these amendments.

In accordance with 37 C.F.R. § 1.121(b)(3)(iii), a marked-up copy of the substitute specification showing the matter being added to and the matter being deleted from the
